A projekt az Európai Unió támogatásával, az Európai Szociális Alap társfinanszírozásával valósul meg.

# Presentations

Embedded Networks – Margaret Sutherland and Niamh Stack

Let's consider motivation as a talent – Catherine Oualian

35 other network nodes (i.e. participants)

# Emerging Issues

- Broad interpretations of talent and talent support e.g. Motivation as talent
- Issues of social justice
- Issues of access
- Children's wider life experiences
- Network offers insight to different opportunities which can be amended to suit context
- Encouraging partnerships within contexts

# Question

TOWARDS  
A  
EUROPEAN  
TALENT  
SUPPORT  
NETWORK

Talent Support Networks can be considered civil in that they see wider than the talent and see the individual at all different ages, but they can also be considered civil in that they see wider than the individual and consider their context irrespective of socioeconomic status, and their interconnections at a pre-school, school and university level
